Community Leader Series

AS WE SEE IT

**You're Already Part of Solutions.
You Just Don't Know Who Else Is Working on Them.**

School leaders, law enforcement, business owners, and local partners all see youth and families struggling, but *where* do they turn for support?

Join us at **The Alive Center in Hanover Park**, a teen-led, community-embedded space serving *Bloomingtondale, Hanover Park, Glendale Heights, and surrounding communities*, and connect with leaders navigating similar challenges across sectors.
